Re: *Late Filed Report Regarding Layoff of AT&T Employees in Arizona Pursuant to Decision No. 68865; Docket Nos. T-02428A-06-0203, T-03016A-06-0203, T-03116A-06-0203, T-03287A-06-0203, T-03346A-06-0203*

Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide information regarding four (4) AT&T employees located in Arizona that were given notice of a surplus condition. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865. Please note that AT&T inadvertently missed the May 25, 2012 due date for this follow-up layoff report.

The layoff was intended to improve efficiencies and reduce business expenses. The reduction involved four management employees in the AT&T Customer Solution Centers organization. In an effort to redeploy the employees within AT&T, the employees retained access to the internal AT&T job search system. Two of the employees found another position within AT&T, however the other two employees were unable to locate another position within AT&T, and thus were laid off. If you have any questions regarding this report, please feel free to contact me at (512) 422-7218.

Very truly yours,

Sharon Mullin
